Re: State of Missouri v. Megan Elizabeth Griffith

Dear Custodian of Records:

This is a request for records under the Missouri Sunshine Law, Chapter 610, Revised Statutes of Missouri. I request that you make available to me all records relating to State of Missouri v. Megan Elizabeth Griffith, 10CY-CR03908-01. This request includes, but is not limited to, the following:

- All CT scans and other imaging studies
- All DNA test results
- Chain of custody reports
- Lab and medical reports
- Narrative summaries
- Progress notes and/or handwritten notes
- All other available documentation, including confidential material

The following may assist you with your search. The victim's name in the case is Izzack Doolin. The offense occurred on 08/08/2008. The defendant's name is Megan Griffith. Her date of birth is 08/16/1983.

I request that all fees for locating and copying the records be waived since the use of these records is in the public interest and is not for personal or commercial interest. If the fees are not waived, please let me know in advance of any search or copying if the fees will exceed \$50.00.

If access to the records I am requesting will take longer than the required response time of three business days, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you very much for your time and attention to this matter.

Sincerely,

Lucas Zahner, Legal Intern
